Version	1.0
Effective Date	01 January 2026
Document Owner	Human Resources Department
Classification	Internal Use

1. Purpose

This guide provides new employees with an overview of the TechNova onboarding process.

2. Before Joining

- Employment documentation
- Identity and address verification
- Banking information
- Tax-related documentation
- Emergency contact details
- Required declarations

3. First Day

- HR orientation
- Employee ID activation
- IT account setup
- Device collection
- Security awareness briefing
- Introduction to the reporting manager
- Team introduction

4. Employee ID

Each employee receives a unique employee ID.

5. IT Setup

- Company laptop
- Email account

- Communication tools
- VPN or approved remote-access tools
- Required business software

6. Security Training

- Password security
- Phishing awareness
- Confidential information
- Device security
- Incident reporting
- Remote-work security

7. Manager Introduction

- Team members
- Team responsibilities
- Current projects
- Work processes
- Communication channels
- Initial objectives

8. First Week

- Complete mandatory training.
- Understand responsibilities.
- Review applicable company policies.
- Set up required tools.
- Meet key team members.
- Discuss initial goals with the manager.

9. First Month

- Team processes
- Project responsibilities
- Company systems
- Relevant policies
- Performance expectations

10. IT Asset Responsibility

Employees receiving company equipment are responsible for protecting the equipment.

11. Policy Familiarization

- Employee Handbook
- Leave Policy
- IT Policy
- Security Policy
- Work From Home Policy

12. Example

A new Data Analyst receives a company laptop on the first day. Before using the laptop, the employee must complete the required account and security setup and follow IT security requirements.

13. Contact

Onboarding questions should be directed to HR or the employee's assigned onboarding coordinator.
